Headteacher: Mrs Lesley Spicer

10 October 2017

Dear Parent/Carers

The last week of this half term, 16 - 20 October is maths week and the children will be involved in lots of maths investigations and problem solving activities. To launch the week, we would like all children to bring to school a white or light coloured, plain tee-shirt which they will decorate using their mathematical knowledge. They will then wear this throughout the week at school over the top of their uniform and bring it home on Friday to keep as a memento of this special week.

We therefore request that your child brings a plain tee-shirt to school by Monday, 16 October. Please be aware that they will be using fabric pens to decorate their tee-shirt.

On Friday, 20 October to mark the end of the week, you or a family member are invited into class from 2.30 p.m. to engage in mathematical games and activities with your child.

We look forward to seeing you in school during Maths Week.

S Gordon (Maths Manager)

Maths Week

Please complete the attached slip to indicate your attendance at the afternoon session on Friday, 20th October from 2.30 p.m. and return to the class teacher by Thursday, 19 October.

Mathematical Games and Activities Session
